

A Truth-less Church

Revelation 2:18-29

November 28, 2021

Sermon Summary: Jesus' encouragement to his people is to persevere to the end (the whole point of Revelation), but there are obstacles that will make that impossible. In Thyratira, he warns that a lack of truth will keep us from making it. If we're going to persevere to the end, then we will follow the lead of our Savior and love ***in truth***. That means knowing the Truth, speaking the truth, and living the truth.
